

The screenshot shows the Eureka database interface. At the top, there are buttons for "Search", "Browse", and "Queue". Below these are tabs for "DBs" and "Eureka". The "Default operator" is set to "Highlight all hit terms initially". A search results box displays two entries: "6543044" and "5995878". At the bottom, there are icons for "PDF", "Doc", "Image", "Text", and "HTML".
